Life Choices Academy, Lansdowne — Junior Lecturer

July 2022 - Current

My duties are to teach and assist students through the curriculum,

SKILLS

I am great team player, a good leader as well.

Good communications skills, including listening to understand.

Driven, resilient, dependable and very punctual.

Frontend Development and Backend Development, with a good understanding and application of Vuejs and other frontend technologies.

LANGUAGES

English and Afrikaans. (Speak, read and write)

ensuring that they thoroughly understand concepts with the ability to create real world projects. Within this role I have also provided extra lessons at my own accord and marked students projects to the required standards . I stood in for the role temporarily as the previous lecturer had moved on to pastures green. I am currently fulfilling the role to the best of my abilities.
